BLOCK ACCOUNT

A Block Account is a prepaid account set up through SAIA and a worry-free way to pay for each training class submitted. By signing up, your company also saves $20 per student on all in person SAIA Courses.

SAIA will maintain the account and as classes come through, charges are automatically deducted from the account. When the account begins to run low, SAIA Training Department will notify the company it is time to replenish. An overview of the account can be provided at any time.

To purchase or replenish a Training Block Account, please select one of the following:

☐ Half Block: 50 Students @ $3,500.00 USD   ☐ Full Block: 100 Students @ $7,000.00 USD
